

QUALITY AND FOOD SAFETY POLICY

Catalyst Service Solutions Partners Pvt Ltd. (formerly known as Comprehensive Support Services Pvt Ltd) places the utmost priority on food safety, considering it a fundamental aspect of sustainable development. Our commitment to providing safe food and ensuring customer health is manifested through the rigorous implementation of HACCP principles in food processing, aligning with national and international standards, and complying with legislative requirements.

Catalyst Service Solutions Partners Pvt Ltd, acknowledges the importance of understanding the needs and expectations of interested parties, including customers, regulatory bodies, and the broader community. Our objectives align with industry best practices and legal requirements, ensuring compliance with statutory and regulatory requirements, as well as any mutually agreed customer requirements related to food safety.

Catalyst Service Solutions Partners Pvt Ltd, is dedicated to developing our human resources by providing continuous skill and knowledge enhancement. Periodic training fosters motivation and a sense of pride and commitment to maintaining high standards of Quality and Food Safety.

Catalyst Service Solutions Partners Pvt Ltd, is unwavering in its dedication to delivering top-quality food products that consistently meet or exceed specified standards for raw materials and finished goods. This commitment includes a focus on continual improvement to consistently exceed customer expectations.

Our Food Safety Policy is communicated effectively both internally and externally at all levels of the organization. Transparent communication is vital for building trust and ensuring that our commitment to food safety is well understood and embraced by all stakeholders.

Catalyst Service Solutions Partners Pvt Ltd, is steadfast in upholding the highest standards of food safety through a comprehensive and continually improving FSMS. Our commitment encompasses human resource development, top-quality food production, effective communication, adherence to regulatory requirements, and the ongoing assurance of competencies within our organization.
